BOOKING PERIODS

Rhozeland Design bookings will be available exclusively from 9 AM - 2AM. For special accommodations outside of regular hours, please include the request filling in your booking.

TECHNICAL SUPPORT

Rhozeland Design now comes with an increased level of technical support. Both the Main and Studio Rooms now come with the support of an on-site technician. For more specialized needs, we also offer a variety of specialists catered to your specific needs.

EQUIPMENT

Each studio now comes with a set list of associated equipment. This “kit” is included with the booking at no extra cost. See below for details. At the end of your booking, please ensure all equipment is wrapped, all data is offloaded any all cards are formatted. Place all garbage in the bins provided and ensure the room is returned to its original state.

CANCELATIONS

To allow for full health and safety compliance, Digital Media Lab bookings are subject to cancellation at any time with a full refund, for any reason related to COVID-19 health and safety. Cancellations may be made by the Rhozeland administration. This temporary policy is in place to ensure full compliance with the COVID-19 health screening policy. Please consider this when making your bookings.

CLEANINGS & SANITATIONS

Please use the sanitization stations located throughout our space to disinfect surfaces, touchpoints and equipment. We ask that you clean high-touch surfaces before and after use for your own safety and the safety of others.
